Foodies from all over the Okanagan would agree that Rutland's "My Neighbourhood Restaurant" is a hidden gem. Feel free to head down Hwy 97 on a Saturday or Sunday and stand in line at one of those chain restaurants, or just stay here and enjoy the savoury flavours that the come from Leora & Ryan's kitchen.

Leora and Ryan will be celebrating 8 years in April 2019. If you go back to the beginning of Muga Java's, they took that over in January of 2007....so they are heading into our 13th year of being in the community.

How did they come up with their name? "It came about from a dream my husband Ryan had one night," Leora said. When he told me about it, I thought it was perfect. We wanted people in the community to feel like they were apart of it every time they spoke the name.

I asked Leora to tell me about her favourite dish? She states that is hard for her to pin down... We are famous for our homemade burgers...and we have always done all day breakfast. We make our soups and chili and turkey pot pie from scratch. I would say our speciality is comfort food.

Not only do they feed hungry patrons, but they also employ 16 people. Most of my staff have been with us for quite some time. They are family, as you can see in this picture from the Uptown Rutland Light Up.

Leora shared with me that its the sense of community and family that makes it so easy to go to work everyday. Really getting to know our customers and watching our little customers grow up has always been special to me. My staff have always embraced that sense of family and community also. We all pull together for each other. Leora said that My Neighbourhood Restaurant is like Mom's kitchen growing up... the door is always open...the coffee can be ready in minutes....so come on in and take a load off and tell us about your day.

They are open from 7am to 3:30 pm daily. There are only a handful of days throughout the year that they close for. Christmas, New Year's Day, Thanksgiving Monday, and one or 2 other days in the year when I reward my staff for their hard work.
