Valley First – Feed the Valley

Thank you to everyone who supported our recent #FeedTheValley events held in partnership with select Save on Foods and Super A Foods in Lumby.

We were overwhelmed and proud of the generosity we witnessed.

Our Rutland team in partnership with Save on Foods, Plaza 33 raised 945lbs of food and \$302 dollars.

Collectively 4,985 lbs of food was collected and over \$2,800 was raised. This will provide 8,616 meals for families who access food bank services throughout the Okanagan and Thompson communities. To put this into perspective, this would feed three meals a day to a family of four for two whole years!
